

Agilent Heads to AMP 2026!

November 10-14 | Seattle, WA

Booth #617

Shape What's Next in Molecular Pathology

Discover, connect, and innovate with Agilent at the AMP 2026 conference! This year, we're bringing together world-class experts, breakthrough technologies, and groundbreaking research to tackle the field's most critical challenges. Connect with industry leaders, innovators, and peers who are shaping the next era of molecular profiling.

Corporate Workshop

Beyond Fusion Detection: Scalable RNA-Based Tumor Profiling for Molecular Classification

Date: Wednesday November 11, 2026 | **Time:** 12:00 p.m. to 12:50 p.m. | **Location:** Tahoma 5, Level 3

Speakers:

Dr. Parth Shah, MD

Director of Genomic Informatics, Assistant Professor Pathology & Laboratory Medicine, Dartmouth Health

Dr. Pamela A. Rathbun PhD.

Director, Molecular Diagnostics, Pathology and Laboratory Medicine at Ann and Robert Lurie Children's Hospital

Innovation Spotlight

Resolving the Unresolvable: Targeted Long-Read Sequencing for Hereditary Cancer Research

Date: Friday, November 13, 2026 | **Time:** 12:40 p.m. to 1:10 p.m. | **Location:** Stage #1

Speaker:

Dr. John Hanson, PhD.

Vice President of Customer Success at Blackhawk Genomics
