

Lights... Camera... Action!

**Agilent rolls out the red carpet for 2009's
most *essential* publication.**

In a world where chromatography professionals must achieve better results, faster...
only one publication has what it takes to call itself "essential."

Agilent's 2009-2010 *Essential Chromatography and Spectroscopy Catalog*

For decades, Agilent's Catalog has been the single source for columns, supplies, and more – plus chromatography advice to help you achieve reproducible results. And now, this classic tale continues with...

- More product photos
- New chromatograms
- Compatibility charts
- Troubleshooting tips
- Maintenance schedules
- Instrument diagrams
- Special offers, and more

Also making their Catalog debut are Agilent J&W Ultra Inert Capillary GC columns... Agilent J&W High Efficiency Capillary GC columns... Agilent ZORBAX Eclipse Plus Phenyl-Hexyl and PAH LC columns... and a cast of supporting supplies.

Don't miss the premiere of Agilent's newest blockbuster! Reserve your FREE copy now.

Go to www.agilent.com/chem/reserve2

Complete the information on the reverse side and fax to:
+49-(0)7452 808-180

Or contact your local Agilent Representative
or Agilent Authorized Distributor.

Our measure is your success.

Agilent Technologies

Audiences and critics agree... Agilent's 2009-2010 Catalog is a must-see!

Also available on DVD!

Agilent's *Essential Chromatography and Spectroscopy Catalog* is your one-stop resource for everything from sample prep to instrument maintenance. And our supporting cast includes 40 years of chromatography experience that can help you achieve reproducible results faster.

Be among the first to experience Agilent's newest release!
