

Your next Reagents and Kits order could bring you
 up to **SEK 216 000 closer**
 to a new instrument

Experience the double benefits of Stratagene and Agilent Reagents and Kits!

Ensure the best results using Stratagene and Agilent products with your instruments, and save significant money toward your next instrument purchase. Here's how:

Order at least SEK 54 000 or more worth of Stratagene and Agilent Reagent and Kits and receive up to the same amount in vouchers toward your next instrument purchase.

Vouchers can be used toward any Agilent Array Scanner, real-time PCR, OFFGEL or Bioanalyzer instrument, and are awarded as follows:

Buy this amount of Reagents and Kits	Receive Instrument Voucher(s) worth
SEK 54 000 – SEK 107 999	SEK 54 000
SEK 108 000 – SEK 161 999	SEK 108 000
SEK 162 000 – SEK 215 999	SEK 162 000
SEK 216 000 or higher	SEK 216 000

Even better, **you can combine this offer with other Agilent discounts on Stratagene and Agilent Reagents and Kits!** As long as your total purchase is SEK 54 000 or more, you will qualify for a voucher.*
