

DISCOVER MS CONNECT

OUR COMMUNICATION FOR LC/MS ENTHUSIASTS!

The Measure of Confidence

Agilent MS Connect provides frequent communication on topics such as product updates, applications and related information that is relevant to your LC/MS work. These include updates about hardware and software, new applications, Agilent LC/MS meetings, LC/MS conferences and eLearning or webinar tools. The MS Connect program consists of a quarterly newsletter and a webpage www.lcms-connect.com.

News

Stay up to date with the latest product updates including hardware and software. Follow our regular press releases.

MS Community

Read MS User Meeting reports from countries across Europe and get insights of other Agilent MS Users who were interviewed by MS Connect.

MS CONNECT

YOUR MAJOR RESOURCE

Events

Attend MS Seminars and User Meetings in your town or area and find out at which conference you can visit our booth.

Media Center

Download videos and images for your publication or presentation. Application notes and Analytical methods for supporting your method development.

Agilent Technologies

Comprehensive information about Mass Spectrometry

MS Connect is convincing our customers all over Europe.

“Thank you very much for the information, please keep me informed on latest developments” *Customer voice from Spain*

“I would like to be connected to Agilent MS Connect Community.” *Customer voice from Denmark*

“Thank you for giving me this opportunity to join Agilent MS Connect. It has been difficult for me to follow new trends, discussions and development in MS technology and this new forum is very welcome. I’m looking forward to learning more with Agilent MS Connect.” *Customer voice from United Kingdom*

“Thank you for including my email in the Agilent MS Connect program. Yes I’m interested in communicating and sharing of LC/MS information.” *Customer voice from Italy*

What about you? Connect yourself today and enjoy the benefits of Agilent MS Connect
