Agilent
CrossLab
From Insight to Outcome

Agilent stands behind you, your instruments, and your laboratory

Agilent CrossLab combines the innovative services, software, and consumables competencies of Agilent Technologies—delivering vital, actionable insights that drive improved economic, operational, and scientific outcomes.

**Optimize your workflow
with quality Agilent CrossLab supplies**

You expect the very best from Agilent. And with CrossLab multi-vendor supplies, you can get that same confidence for all the major instrument brands in your lab.

In fact, we're so confident in our CrossLab supplies that our technicians use them when servicing all major instrument makes and models.

Confidence, not compromise

Agilent CrossLab supplies are backed by a risk-free warranty that covers their compatibility with other instrument brands. In the unlikely event of a problem, we guarantee:

- A 90-day refund on supplies
- A technical support consultation
- Free instrument repair or service (if required)

Agilent CrossLab multi-vendor supplies work seamlessly with the following major instrument brands:

BRUKER/VARIAN
CTC
PERKINELMER
SHIMADZU

THERMO/DIONEX
WATERS
AND MORE

FOR EVERY INSTRUMENT IN YOUR LAB... ACHIEVE OPTIMAL RESULTS, AND KEEP WORKFLOWS RUNNING SMOOTHLY

Agilent CrossLab supplies are guaranteed to be fully compatible with the equipment for which it is specified. These products are designed—and manufactured—to meet a number of critical specifications set by Agilent engineers to ensure an optimal fit with your instrument.

Agilent CrossLab supplies

Perform seamlessly with all major instrument brands
