

Allocate the funds you need to support your lab

Agilent Flexible Spend Plan

A simple, flexible way to meet your purchasing needs

Isn't it frustrating when you have to rush to spend your funds from an expiring budget? Now you have a smarter option: The Agilent Flexible Spend Plan. It enables you to allocate funds in a flexible spending account that you can use to buy Agilent services or columns and supplies *right when you need them*.

Increase productivity and maximize instrument uptime

The Flexible Spend Plan simplifies your purchasing, planning, and budgeting by:

- Allowing you to use funds for Agilent services, parts, columns and supplies, covering all major instrument brands, up to three years.
- Eliminating the need to issue POs for every purchase
- Providing a seamless flow of pricing and discounts
- Enabling ease of tracking your balance and account activity through an online portal
- Offering monthly, quarterly, or semi-annual billing options *

Maximize the return on your instrument investment

Regular instrument maintenance—along with using the appropriate columns and supplies for your application—helps you reduce costly downtime. The Flexible Spend Plan enables you to spend money on what you need, when you need it. So you can maintain optimal instrument performance without jeopardizing your budget.
