

Trust Proven MS/MS Technology

Put your ICP-MS results beyond doubt

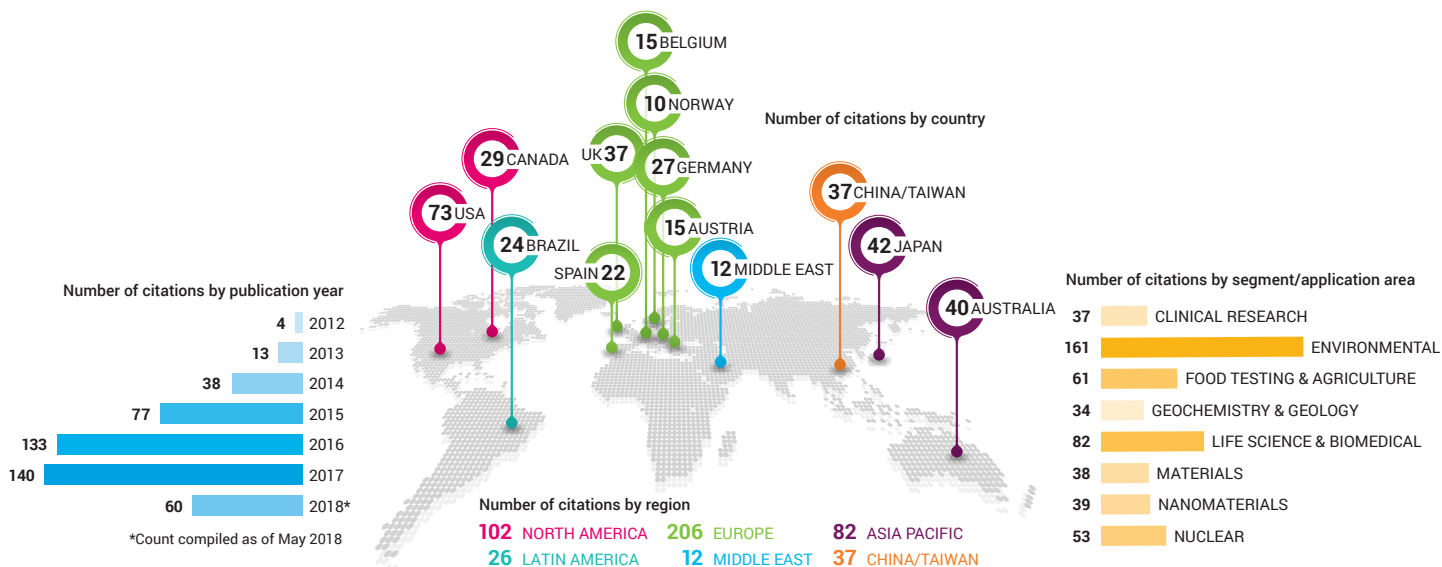

Powering ICP-MS applications with MS/MS for six years... and counting

Since 2012, Agilent has supported customers around the world as the trusted expert in triple quadrupole ICP-MS (ICP-QQQ) technology. Agilent ICP-QQQ users have published over 400 articles to date, illustrating the scope and power of ICP-QQQ to deliver new, advanced analytical capabilities. No other company can make that claim.

Agilent ICP-QQQ applications bibliography (2018 revision)

Your gateway to over 400 peer-reviewed papers that explore how Agilent ICP-QQQ instruments have helped hundreds of labs push the boundaries of their science.
