

GCxGC

Capillary Flow Technology
Workshop 2012

The Measure of Confidence

PLANETARY SCIENCE

THE OPEN UNIVERSITY

29TH JUNE 2012

Agenda

- 9:45** **Registration and Coffee**
- 10:15** **Introduction and Welcome**
Dr Geraint Morgan and Prof Nigel Mason, Planetary Sciences, The Open University
- 10:30** **Capillary Flow Technology (CFT)**
What can CFT do for your analyses?
Ken Brady, Agilent Technologies
- 11:15** **Bringing the Advantages GCxGC to Routine Analyses**
Benefits, Applications & Practical Considerations
Bryan White, JSB UK
- 12:00** **Lunch**
- 12:45** **Tour of Planetary Sciences Facility**
- 13:15** **GCxGC/MS as an Investigative Tool**
Flexibility of CFT & GCxGC/MS in the Petrochemical Industry
Tom Lynch, BP Castrol UK
- 14:00** **Coffee break**
- 14:15** **Practical Session using a GC x GCMS**
An introduction to the benefits and flexibility of Flow Modulation
Andrew Baker, JSB UK
- 16:15** **Close of Workshop**
