

# INSPIRE CONFIDENCE IN FOOD SAFETY

Agilent Technologies

The Measure of Confidence

You are invited to join us for a full-day food and flavors seminar designed to expand your understanding of the latest products and technologies available to make your laboratory more productive.

This seminar will feature a variety of topics including the latest innovations in Agilent's GC and GC/MS portfolio, OpenLAB MatchCompare software as well as products and solutions from our partners. The talks will be given by Agilent's application chemists and product specialist and invited partner speakers - people who are familiar with the newest instrumentation and current trends in the food and flavors market.

Do not miss this excellent opportunity to learn something new and interact with your colleagues! There is no-charge to attend and lunch is included; however, seating is limited and pre-registration is greatly appreciated - [www.agilent.com/chem/Flv-Frg\\_Seminar](http://www.agilent.com/chem/Flv-Frg_Seminar)
