

Gain new Perspectives in Laboratory and Field Analysis

Join us at our New Southern Technology Center for our
Chromatography, Mass Spectrometry, Molecular and Elemental
Spectroscopy Seminars

Upcoming Seminar & Open House

Tuesday, June 30th

Door Prize: DJI Phantom 3 Drone with HD Camera

8:00 - 9:00AM

Breakfast & Registration

9:00 - 10:45AM

Hands-on Troubleshooting, Care & Maintenance of
Gas Chromatography and GC/MS Systems

Darren Decker & Fred Feyerherm, Agilent Technologies

10:45-11:00AM Break

11:00-11:30AM

Fast Analysis of Refinery Gas Samples

Shannon Coleman, Agilent Technologies

11:30-12:00PM

Industrial Laboratory Applications of Molecular Spectroscopy

Frederic Prulliere, Agilent Technologies

12:00-12:30PM

Hand-held & Portable ED-XRF Spectroscopy for
Industrial Applications

Dave Bush, Spectro Analytical Instruments

12:30PM - 4:00PM

Lunch & Networking Session

Open Discussions with Technical Experts from

- ▶ Agilent Technologies
- ▶ Tecan
- ▶ Markes International
- ▶ ASI Standards
- ▶ Peak Scientific
- ▶ Spectro Analytical
- ▶ Diablo Scientific
- ▶ Frontier Laboratories
- ▶ Elementar
- ▶ Metrohm
- ▶ Quantum Analytics

2:00PM

Ribbon Cutting - Dedication of the new
Quantum Analytics Southern Technology Center

Seminar Schedule

July 16th

**A Comprehensive Hands-On Workshop On Modern
Technologies For Real Time Direct Process Stream Gas
Analysis**

*Featuring select products & solutions from Agilent Technologies,
SYFT, Metrohm & Diablo Analytical*

July 21st

**X-Ray Spectroscopy: Practical Theory & Hands-on XRF
Applications, Radiation Safety Overview**

Featuring select products from Spectro Analytical Instruments

July 23rd

Hands-on Workshop on Advanced Hydrocarbon Analysis

*Featuring select products & solutions from Agilent Technologies,
Custom Solutions Group & Diablo Analytical*

July 30th

**Hands-on Workshop with Agilent GC/MS for EPA 325: Passive
Fence-line Monitoring for Fugitive and Area Sources for VOCs**

*Featuring select products & solutions from Agilent Technologies &
Markes International*

Quantum Analytics Southern Technology Center

Our new state-of-
the-art multi-vendor
demonstration, training &
support center is located
North of Houston in
The Woodlands /
Oak Ridge North with easy
access to I-45.
