

Ready for a new Agilent BioTek plate washer? Learn how you can get 30% off a new Agilent BioTek 406 FX

Current owners of Agilent BioTek EL406 washer dispenser, 405 TS, 405 LS, and ELx405 Select washers are eligible for a 30% promotional discount on the all-new Agilent BioTek 406 FX washer dispenser and optional dispense modules.

The Agilent BioTek 406 FX washer dispenser is a powerhouse for many standard plate washing and dispensing protocols. It also automates more complex operations such as magnetic-bead washing workflows, and it is easily integrated into robotic systems.

406 FX features include:

- Fast plate washing with up to six reagent dispensers
- 96-, 384-, and 1536-well plate compatible
- Full automation of intra-assay liquid handling steps
- Magnetic bead-based assays
- Built-in cleaning with Ultra-sonic Advantage
- Direct-to-drain waste option eliminates the need to empty waste bottles
- Automation friendly with right- or left-side integration
