## The Time is **NOW**: **40% Discount** with the Trade-In of Your Non-Agilent GC

Agilent is offering a 40% discount on the purchase of a new Agilent GC system with the return of your Thermo, Shimadzu, Perkin Elmer, or any Non-Agilent GC.

This is a limited time promotional offer.

### Take Advantage of:

- Backflush - shorter run times, longer column life
- Improved peak resolution with Dean switch
- Faster cycle times in ramping and cool down
- Less unplanned downtime
- 50 years of analytical excellence

### GC Promotion:

Non-Agilent GC Trade-in [Promotion #9601](#) - Agilent Technologies GC customers who purchase one of the following units AND Trade In a functioning non-Agilent GC can qualify to receive a promotion discount. Eligible units for the discounted purchase include: 7890 GC system, 7820 GC System, 6850 GC System. Discuss the promotion with your Agilent Representative for complete details.
