

Peace of mind now comes at a discount

For a limited time, pay less for the services that keep your lab operating at its peak.

Get coverage in 3 easy steps.

1. **SELECT** an Agilent Advantage Service plan.

We offer three Agilent Advantage plans that handle repair, maintenance and compliance in your lab. Choose the coverage that fits your needs: Advantage Gold for ultimate uptime and availability; Silver for worry-free, dependable operations; or Bronze for a fixed price for repairs.

2. **CONNECT** to Agilent Remote Advisor.

Get the power of remote diagnostics and reporting with your Agilent Advantage plan. Proactively diagnose and fix instrument problems and receive on-demand reports and notifications to help you maximize instrument uptime and laboratory productivity.

3. **SAVE 10%** on your coverage.

For a limited time, pay 10% less on a new Agilent Advantage Service plan once you connect Remote Advisor. This offer is available through 15 November 2010 – but why put off peace of mind?

Select, connect and save today!

To request a quote, call your Agilent Service Representative at **800.227.9770**. Or visit us online at **www.agilent.com/chem/remote_advisor**. Be sure to reference promotion code 8558 for this special savings.
