

Punctuality pays off

Act before your warranty expires for special savings on Agilent service plans.

Up to
15% OFF

Don't go a day without coverage.

10% OFF on an Advantage Bronze Plan

Agilent Advantage Bronze gives you total repair coverage at a fixed annual price. You're fully protected against expensive repairs and extended instrument downtime. Agilent Advantage Bronze covers all costs for onsite repair—including engineer travel and labor—and all parts required to return your system to normal operation. Plus you get preferred scheduling over time-and-materials calls.

15% OFF on an Advantage Silver Plan

Agilent Advantage Silver gives you comprehensive coverage for dependable laboratory operations. Agilent Advantage Silver covers all-inclusive repair to resolve problems quickly, scheduled preventive maintenance to ensure peak performance, and real-time remote diagnostics and predictive support technology to maximize instrument availability and optimize workflow.

Save even more!

ADDITIONAL 10% OFF on your plan when you connect Agilent Remote Advisor*

Add the power of remote diagnostics and asset reporting to your Agilent Advantage plan. Proactively diagnose and fix instrument problems and receive on-demand reports and notifications to help you maximize instrument uptime and laboratory productivity.

* Free connection available with a minimum number of systems.

When your warranty expires, so does the chance to save!
