

How to Place a Routine Order

1. Go to Agilent.com and click **account** in the top right corner.

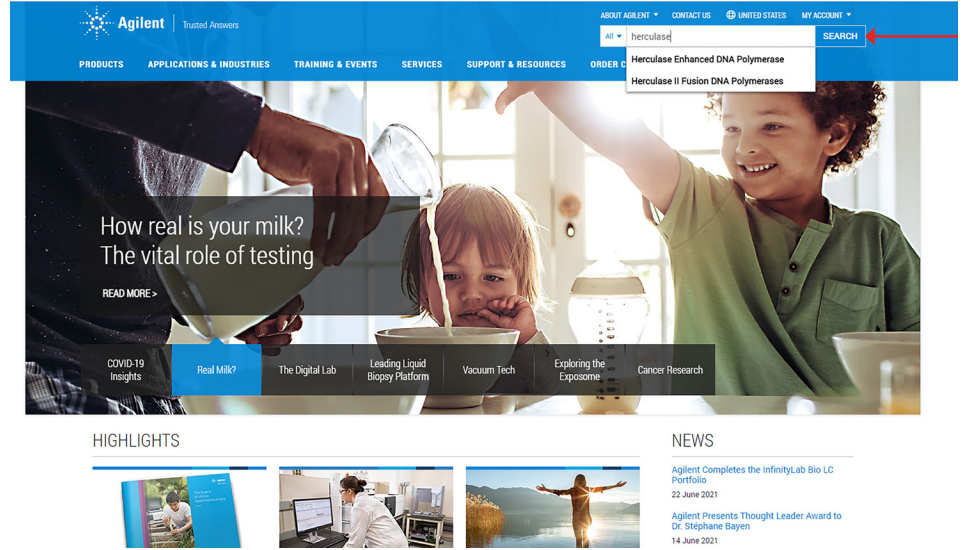

2. Next, log in using your account credentials. If you do not already have an account, [click here](#) for instructions on account creation.

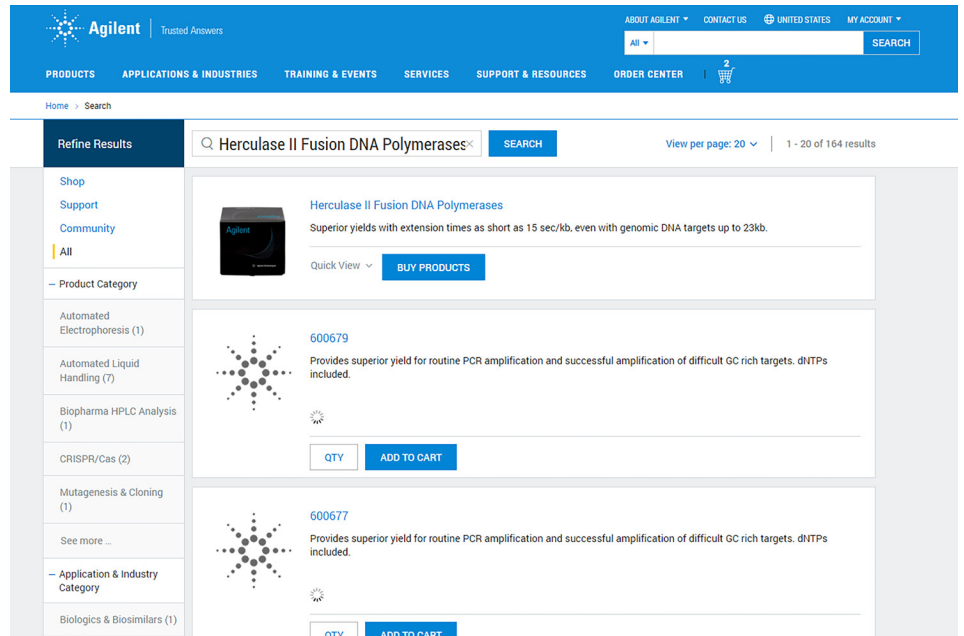

The screenshot shows the Agilent Sign In page. The page has a white background with a blue header. The main heading is 'Sign In' in blue. Below the heading is the text 'Use one login for everything Agilent.' There are two input fields: 'Email Address or Username' and 'Password'. The 'Password' field has a small icon of a key and a 'Forgot Password?' link to its right. Below the input fields is a blue 'Sign In' button. At the bottom of the page is a link that says 'Create a new account'.

- Use the search box at the top of the page to find products by either name or part number (e.g., "Herculase").

- Products can be quickly added to your cart from search results, or you may visit the product page for more information.

- Items may also be added to your cart from the product page view. When you are done adding items to the cart, click the cart symbol in the top right corner of the page.

High-Fidelity/GC-Rich Target DNA Polymerases for PCR
Herculanse II Fusion DNA Polymerases RUD

Herculanse II Fusion DNA Polymerases produce superior yields with extension times as short as 15 sec/kb, even with genomic DNA targets up to 23kb. Herculanse II helps overcome PCR challenges with successful amplification of targets of all complexity. Easily amplify low abundance, high GC, and other difficult targets with robust yields.

For Research Use Only. Not for use in diagnostic procedures.

Do you have everything you need?
 Add multiple items to your cart by adding part number and quantity below.

- Input your preferred shipping and billing details and scroll down to **Payment**. You may use **change** or **add new** buttons to add new locations as needed.

The screenshot shows the 'Checkout' page for Agilent. At the top, there is a blue header with the Agilent logo and the tagline 'Trusted Answers'. Below the header, the page is titled 'Checkout' and has an 'EDIT CART' link in the top right corner. The main content is divided into two sections: 'Shipping Address' and 'Billing Address'. Each section contains a dropdown menu for 'University' and 'United States', with 'Change' and 'Add New' buttons below. To the right of each address section are input fields for 'Attention*', 'Building/Room*', and 'Phone*'. On the right side of the page, there is an 'Order Summary' box. It lists 'Items(2)' for \$1,137.30, 'Shipping & handling' for \$67.00, and 'Tax' for \$93.33. The 'Order Total' is \$1,297.63. Below the summary are two buttons: 'SUBMIT ORDER' and 'CREATE QUOTE'. There is also a checkbox for 'By placing your order, you agree to Agilent Terms & Conditions' and a disclaimer: 'Agilent does not accept orders from unauthorized resellers or intermediaries.'

- Payments may be made by adding either a purchase order number (PO#) or a credit card.

- Quotes may be redeemed using the **Quote Reference** dialog box. **Note:** for an optimal experience, please redeem quotes using the quote redemption workflow. [Click here](#) for more information.

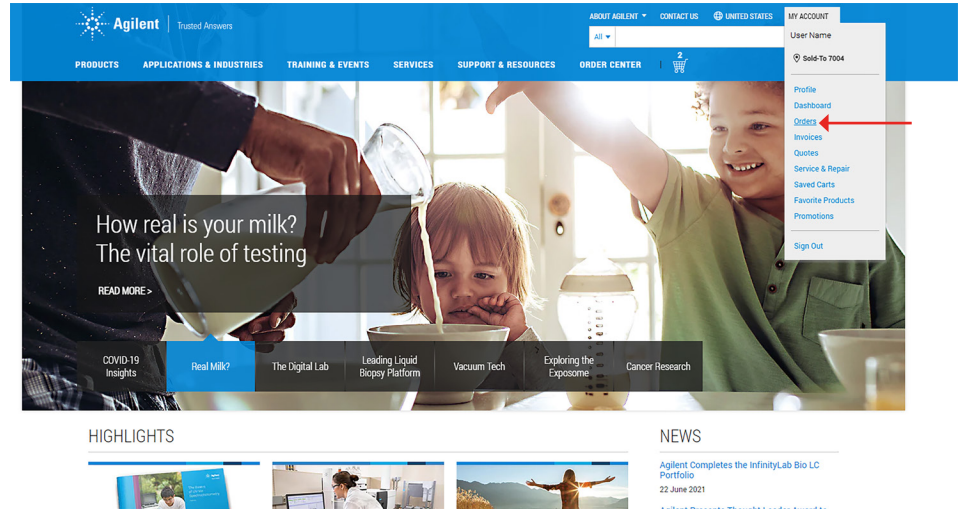

- Enter the remaining data fields for delivery method. You may also enter email addresses for invoice communication, order confirmations, or any special shipping instructions. Any text entered in the **special shipping instructions** box will be reviewed by an Agilent representative before order fulfillment.

- When your order is complete, review and accept the terms and conditions, then click **SUBMIT ORDER**.

The screenshot shows the 'Payment' and 'Delivery Method' sections of the checkout process. The 'Payment' section has a radio button selected for 'Purchase order / Invoice me * Reference Purchase Order' with an input field for the purchase order number. There is also a radio button for 'Credit Card'. Below this is a 'Quote Reference' field. There are two input fields for email addresses: 'Please e-mail me my invoice (no hard copy by post) Email address' and 'Add CC e-mail to my order confirmation' with a note 'Add multiple Emails with semiColon separated'. The 'Delivery Method' section has a note 'Order must be received by 6:00pm EST to ship same day.' and four radio button options: 'Standard Shipping', 'Standard Overnight', 'Second Day Delivery' (which is selected), 'Saturday Delivery', and 'Next Day AM Delivery'. There is a 'FedEx account' input field. Below this is a 'Packaging' section with a radio button selected for 'Ship items as they become available' and a 'Special shipping instructions' input field. On the right side, there is an 'Order Summary' box identical to the one in the previous screenshot, showing the total of \$1,297.63 and buttons for 'SUBMIT ORDER' and 'CREATE QUOTE'.

13. If you need to review your orders, navigate back to the Agilent.com home page.

14. Click **MY ACCOUNT** in the top right corner, and click **Orders** to monitor order status.
