

How to Redeem Multi-use Quotes

1. Log into your Agilent.com account and select **Dashboard** or **Quotes**.

2. Select **Quotes**, then click **Buy** on the quote.

3. Your order will be passed to checkout, where you can edit quantities per line item as necessary.

Items

The quantities of each part on this quote can be changed for this order by clicking in the quantity box for each line, changing the quantity. To remove an item from this order change the quantity to zero. The item will remain on the page but will not be part of your order.
 Note: Changes made to this page will be saved if you checkout now, but those changes will not be saved to the original quote
