

Lot 0006246221

Page 1 of 2

Catalog Number	210516
Product Name	QuikChange Lightning Multi Site-Directed Mutagenesis Kit
Expiration Date	2018-05-30
Quantity	10 reactions
Certified By	Dana Faver
Quality Controlled By	Matt Huffman
Shipping Conditions	Shipped on dry ice.

Storage Conditions

All components of the QuikChange Lightning Multi site-directed mutagenesis kit should be stored at -20°C, excluding the competent cells, which should be stored immediately at -80°C.

Test Conditions

Following the protocol outlined in the instruction manual, the control template and primer mix are tested using the reagents provided in the kit. The system generates mutants with an efficiency of ≥55%.

Notice To Purchaser

Limited License Agreement For Commercial Entities

The QuikChange Lightning Multi Site-Directed Mutagenesis Kit (“Product”) is offered for sale to commercial entities with a limited use license. The purchase price of the Product includes a limited license fee for a commercial entity (“Licensee”) to use only the amount of the Product delivered herewith on the following terms and conditions.

For purposes hereof, “Licensee” shall include any person or entity which ordered the Product or at any time uses the Product. Licensee’s acceptance of delivery and/or use of the Product shall constitute Licensee’s binding agreement to the following terms and conditions. If Licensee is unwilling to accept such terms and conditions, Agilent Technologies Inc. is willing to accept return of the Product, prior to any use of the Product, for a full refund.

1. The Product shall be used for research purposes only. Licensee shall not have any right to (i) offer the Product, or any component, derivative or modification thereof, for resale, or (ii) distribute, transfer, or otherwise provide access to, the Product or any component, derivative or modification thereof, to any third party for any purpose or use.
2. Except as set forth above, no other rights, express or implied, are conveyed to Licensee. No rights are granted to Licensee to use the Product for the provision of services to any third party.
3. The Product is proprietary to Agilent Technologies Inc.. Title to the Product shall remain at all times with Agilent Technologies Inc. and shall not transfer to Licensee.
4. The Product shall be used solely on premises under the control of Licensee and in compliance with all laws, regulations, rules and guidelines applicable to the Product and its use, testing, handling, or other disposition thereof, or otherwise applicable to Licensee’s activities hereunder.
5. Agilent Technologies Inc. warrants that, at the time of shipment, the Product will conform to the specifications which accompany the Product. This warranty limits Agilent Technologies Inc.’ liability to replacement of the Product. Agilent Technologies Inc. MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCT, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR THAT THE PRODUCT DOES NOT INFRINGE ANY PROPRIETARY RIGHTS OF ANY THIRD PARTY. Licensee hereby waives, releases and renounces any and all warranties, guarantees, obligations, liabilities, rights and remedies, express or implied, arising by law or otherwise, with respect to the usefulness or freedom from defects of the Product, including, but not limited to, (a) any implied warranty of merchantability or fitness for a particular purpose, (b) any implied warranty arising from course of performance, course of dealing or usage in the trade, and (c) any obligation, right, liability, claim or remedy for (1) loss of use, revenue or profit, or any other damages, (2) infringement of third party intellectual property rights, and (3) incidental or consequential damages.
6. Licensee shall bear all risks associated with the Product and its use, testing, handling or other disposition thereof, and Licensee’s activities hereunder. Agilent Technologies Inc. shall have no liability to Licensee, its employees or agents or to any third party, regardless of the form or theory of action (whether contract, tort or otherwise, including, but not limited to, negligence and strict liability) for any direct, indirect, consequential, incidental or other damages arising out of or relating to the Product or this limited license.
7. Licensee shall indemnify, defend and hold Agilent Technologies Inc., its affiliates, distributors, suppliers, directors, officers, employees and agents, harmless from and against any and all claims, actions, demands, liabilities, damages and expenses (including attorneys’ fees) relating to or arising out of any damage or injury, including, but not limited to, personal injury and death, alleged to have been caused by the Product, its use, testing, handling or other disposition thereof, or Licensee’s activities hereunder.
8. Licensee may at any time properly dispose of the Product in a manner which ensures its prompt destruction and is consistent with all applicable laws, regulations, rules and guidelines.
9. No modification or waiver of any terms or conditions of this limited license shall be effective unless in writing signed by Licensee and an authorized representative of Agilent Technologies Inc.. For additional licensing information, please contact the Agilent Technologies Inc., Stratagene Product Division, Business Development Office at telephone number (858) 373-6300.

Notice to Purchaser: Limited License

Use of this product is covered by one or more of the following US patents and corresponding patent claims outside the US: 5,079,352, 5,789,224, 5,618,711, 6,127,155 and claims outside the US corresponding to US Patent No. 4,889,818. The purchase of this product includes a limited, non-transferable immunity from suit under the foregoing patent claims for using only this amount of product for the purchaser's own internal research. No right under any other patent claim (such as the patented 5' Nuclease Process claims in US Patents Nos. 5,210,015 and 5,487,972), no right to perform any patented method, and no right to perform commercial services of any kind, including without limitation reporting the results of purchaser's activities for a fee or other commercial consideration, is conveyed expressly, by implication, or by estoppel. This product is for research use only. Diagnostic uses under Roche patents require a separate license from Roche. Further information on purchasing licenses may be obtained by contacting the Director of Licensing, Applied Biosystems, 850 Lincoln Centre Drive, Foster City, California 94404, USA.

Limited Product Warranty

This warranty limits our liability to replacement of this product. No other warranties of any kind, express or implied, including, without limitation, implied warranties of merchantability or fitness for a particular purpose, are provided by Agilent. Agilent shall have no liability for any direct, indirect, consequential, or incidental damages arising out of the use, the results of use, or the inability to use this product.

Laboratory Reagent. Not for use in diagnostic procedures. This certificate is a declaration of analysis at the time of manufacture.
