

Lot 0006376221

Page 1 of 1

Catalog Number	600583
Product Name	miRNA QPCR Master Mix
Expiration Date	2019-11-30
Quantity	200 25- μ l Reactions (2.5 ml of a 2 \times Master Mix)
Certified By	Dana Faver
Quality Controlled By	Matt Huffman
Shipping Conditions	Shipped on dry ice.

Storage Conditions

Upon receipt, store all components at -20°C. Store the 2 \times master mix at 4°C after thawing. Once thawed, full activity is guaranteed for 6 months. The master mix and reference dye are light sensitive and should be kept away from light whenever possible.

Test Conditions

The miRNA QPCR master mix is functionally tested in a QPCR assay for successful amplification of a control target using the universal reverse primer and a unique forward primer. The specificity of the amplification reaction is verified through dissociation curve analysis.

Contamination Test Conditions

Reagents in the miRNA QPCR master mix are tested extensively to confirm the absence of DNA contamination.

Notice to Purchaser: Limited License

Use of this product is covered by one or more of the following US patents and corresponding patent claims outside the US: 5,079,352, 5,789,224, 5,618,711, 6,127,155, 5,677,152 (claims 1 to 23 only), 5,773,258 (claims 1 and 6 only), 5,407,800, 5,322,770, 5,310,652, 5,994,056, 6,171,785, and claims outside the US corresponding to US Patent No. 4,889,818. The purchase of this product includes a limited, non-transferable immunity from suit under the foregoing patent claims for using only this amount of product for the purchaser's own internal research. No right under any other patent claim (such as apparatus or system claims in US Patent No. 6,814,934) and no right to perform commercial services of any kind, including without limitation reporting the results of purchaser's activities for a fee or other commercial consideration, is conveyed expressly, by implication, or by estoppel. This product is for research use only. Diagnostic uses under Roche patents require a separate license from Roche. Further information on purchasing licenses may be obtained by contacting the Director of Licensing, Applied Biosystems, 850 Lincoln Centre Drive, Foster City, California 94404, USA.

This product is licensed for research and development only under patents and patent applications jointly owned by BIOTIUM and ALLELOGIC.

Purchase of this product includes an immunity from suit under patents specified in the product insert to use only the amount purchased for the purchaser's own internal research. No other patent rights are conveyed expressly, by implication, or by estoppel. Further information on purchasing licenses may be obtained by contacting the Director of Licensing, Applied Biosystems, 850 Lincoln Centre Drive, Foster City, California 94404, USA.

Limited Product Warranty

This warranty limits our liability to replacement of this product. No other warranties of any kind, express or implied, including, without limitation, implied warranties of merchantability or fitness for a particular purpose, are provided by Agilent. Agilent shall have no liability for any direct, indirect, consequential, or incidental damages arising out of the use, the results of use, or the inability to use this product.

For Research Use Only. Not for use in diagnostic procedures. This certificate is a declaration of analysis at the time of manufacture.
